

penation to the calf-owners being paid out of the Municipal and Local funds set apart for that purpose. The Commissioners also should avail themselves of every opportunity to explain to the people the benefits resulting from vaccination and to persuade them to bring their children to be vaccinated.

III. Read the estimates for the digging of a well in Kurubabidi, Hemapat A Division.

Resolved.—That it may be submitted to the Government for sanction, as the increasing of water supply in that part is very necessary.

IV. Read the Chief Secretary's letter regarding the transfer of the garden in Dobbe' Bangalow to the Municipality.

Resolved that it be represented that the garden is too far away from the Town beyond the limits of the Municipality to be utilized for any purposes of enjoyment, and as it is not likely that it will be a paying concern, the Municipality is not inclined to take it up. The garden is a part of the grounds of the Bangalow set apart for the use of His Highness the Maharaja, and it is best kept up by Government.

V. Read the revised estimates and draft letter to the Chief Secretary regarding the construction of a Vegetable Market in the Tavakur Town.

Resolved that they be approved and submitted to the Dewan for early sanction.

VI. Read the Dewan's order sanctioning the acquisition of the building sites and the proposals of the President for distributing the sites, &c.

Resolved that the proposals may be approved and that to carry out the arrangements in connection with them, a sub-committee of the following members may be appointed:—

P. N. KRISHNA MURTI,
President.

MYSORE DIVISION.

ADVERTISEMENT.

The 22nd May 1888.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Mysore Division, up to 19th June 1888 for constructing additional stables for Savar Horses at Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1889.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Mysore between the hours of 11 A. M. & 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

Items of Work.	Per	Quantity.	Rate.	Cost.	Total.
Excavation	C. Yd.	150			
Burnt brick in mud	C. Ft.	14,408			
Do chunam	Do	817			
Cornice work	Rg. Ft.	116			
Rough plastering with chunam	Sq.	1 75 35			
White washing	Do	175 85			
Slab stones including dressing and fixing	S. Ft.	836			
Roofing with 2nd Class Mangalore tiles with teak respers, &c.,	Sq.	106 24			
Teak wood	C. Ft.	714			
Gravelling	C. Yd.	134			
Streng Bamboos 14 feet.	Each.	112			

4. Each tender must be accompanied by a deposit of Rs. 50—0—0 in cash or Government promissory notes, as earnest money and be superscribed "Tender for constructing additional stables for Savar Horses at Mysore," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

V. H. KAVR, I. C. E.,
Executive Engineer.
